Dear Cosmander Ross:

Alben V. Dulles, Director of Central Intelligence, asked me to thank you for your letter of 2 December 1960.

It is my understanding from your letter that you have a 154-page treatise on Communism which you are offering to the Central Intelligence Agency for its person! Without any momentary considerations.

We have, as you may know, rather wast quantities of material on all phases of Communism, but we would be interested in reading your treatise if you care to forward it to us.

Thank you for your letter.

Sincerely,

/s/

Stanley J. Grogan Assistant to the Director
